FINANCIAL

Our company is in a strong financial position with no bank debt. Clients are assured that the sound financial position of the company enables it to successfully deliver every project that it undertakes.

“making a positive {+} difference”

“VOS Shopfitting has been invaluable in assisting the project team in delivering a vast amount of the OPSM stores throughout Australia in tight time frames with ridiculously short lead times. Our client’s key criteria has always been ‘speed to the market’ and VOS have never disappointed, have always met critical milestone dates, budgets and delivered a finished product that is envied by most. “

“VOS Shopfitting are a devoted partner in every sense and cannot recommend them more highly to you.”

LUXOTTICA

OPSM, Sunglass Hut, Laubman and Pank.

“Emirates Leisure Retail Australia has worked with Vos in a harmonious and hard working relationship for many years, delivering many varied and multiple projects. We have worked through new conceptual design periods with our Hudsons Coffee Shops as well as with several other brands within our business and Vos’ input has been invaluable. Working in difficult and challenging locations such as airports an hospitals Emirates relies heavily on Vos’ experience and management systems to deliver projects in these environments all around the country. We have a fantastic, professional working relationship, built on quality workmanship, constant strong communication and the highest level of service. Vos Shopfitting maintain the same high level of service, from start to finish, on every project and I continue to work with Stuart and his team, as our preferred shopfitters.”
